

In Galatians, the Apostle Paul encourages followers of Jesus to generously help and care for others. Though there is great need in the world and we can grow weary because we do not know how to help, God's Spirit energizes and re-energizes us in every season.

We can make a difference. We do make a difference. Your generosity makes all the difference. Your gifts to One Great Hour of Sharing provide immediate aid and long-term support to people experiencing hunger, thirst, disaster, or crisis around the world.

The need has never been greater. The opportunity is now. **It's time to share.**

# YOUR GENEROSITY MAKES ALL THE DIFFERENCE.

**Food security is one of the greatest needs of the people of the small western African nation of Togo.** Conflict and economic turmoil, coupled with devastating floods, have disrupted agricultural production. The COVID-19 pandemic made things worse, leaving over 20% of the nation's population unable to provide for their daily nutritional needs and struggling with the resulting acute malnutrition.

Rev. Raymond Afangbedjee has been pastoring the Good News Baptist Church (GNBC) in Lomé, Togo for eleven years. The GNBC seeks to meet not only people's spiritual needs, but also their nutritional needs. The Good News Farm was begun in 2021 to raise animals and plant, cultivate and harvest vegetables for

families in the local villages. After the farm is established, it will be used to train leaders from other villages in agriculture and animal husbandry.

Rev. Afangbedjee knows how to farm. He grew up in rural Togo, learning from his parents and grandparents the art and science of raising vegetables and caring for livestock. He now uses these skills to provide for the local community. The Good News Farm harvested its first crop of corn; sugar cane and animals will be added shortly. This farm is made possible because of your contributions to One Great Hour of Sharing.

**So let's not allow ourselves to get fatigued doing good. At the right time we will harvest a good crop if we don't give up...**
