

Our love offering to the world.

When you give to **One Great Hour of Sharing**, you are light for people in need. You offer light when disasters strike, and when chronic conditions threaten families and communities. You are light not just in the immediate future, but also for the long haul. When you give, you restore not only structures, but also transform lives. Your gift ensures that no matter how difficult the situation, light shines.

Be the light. Give to One Great Hour of Sharing.

Your offering helps rebuild from disaster, feed the hungry, provide clean water to the thirsty, empower the oppressed, and restore hope.

Orfelina works with families in the northern regions of Honduras to help them understand how to transform their families and communities through agriculture. The list of things she does is mindboggling: Checking on local farmers' harvest. Monitoring water projects. Teaching the women in the community how to prepare more nutritious meals for their families. Chatting up community leaders for support. Running workshops for things like creating organic fertilizers and sprays.

But Orfelina doesn't just work with farmers and their families, she supports and encourages them. Visiting them in their homes. Bringing God's light to everyone she meets. And all of this is made possible through your giving to One Great Hour of Sharing. Because of your giving, projects like these and thousands more around the world are changing lives. Transforming communities. And spreading God's light. Be the Light. Give to One Great Hour of Sharing.

*Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, **for God loves a cheerful giver.***
